

Turning potential into results

Having concerns is part of being in business. Being stopped by them isn't.

We don't see things as they are,
we see things as we are. Anais Nin

Success isn't a matter of luck – it's a matter of sight and commitment. Our actions and results match how we see the world. Work In Progress Coaching™ teaches people to see the world – and who they are – in ways that inspire possibility and create relationships that deliver extraordinary results.

You will learn to ...

- Expand leadership capabilities in self and others
- Act from commitments, learn from concerns
- Reduce habits that block performance
- Resolve difficult issues to forward progress
- Communicate more effectively
- Confidently step beyond comfort zone
- Build trusting, accountable relationships

*“Your commitment + my coaching
= your breakthrough results.
Our partnership will help you
achieve results you desire,
teach you how to generate and
achieve new futures and
be fulfilled in the process.”*

Camille Smith

We help individuals, teams and organizations achieve results and futures of choice, not chance. Our customized engagements help you fulfill your commitments and deliver practical, measurable and strategic payoffs.
